Yes. There is a subscription agreement open for shares (they understand the shares are likely to be extinguished).

The shares are key to pushing the conversion agreements into surplus.

Let me find out where things are and I will revert back to you.

Subject: [EXT] Stream TV Funding

Hi Rafael, is there a formal funding mechanism currently in place with VSI? Seems we'll need funds to cover upcoming costs including the \$100k owed to BMC.

Thanks.
